

# Tyranny of Authority

Author: Krishnamurti

Last Updated Saturday, 25 August 2007

All authority of any kind, especially in the field of thought and understanding, is the most destructive, evil thing...

Leaders destroy the followers and followers destroy the leaders. You have to be your own teacher and your own disciple. You have to question everything that man has accepted as valuable, as necessary.

J. Krishnamurti, Freedom from the Known, p. 21
